FISH SALE GUIDE

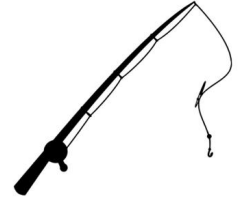

= FEEDER FISH

= SPORT FISH

Bass, Largemouth

- **Body Shape:**
 - elongated and thick
- **Coloration:**
 - dark forest green with pale green sides and belly
- **Common Adult Size:**
 - 13-20 inches long and 1-5lbs
- **Diet**
 - zooplankton, insects, and small fish

Bluegill

- **Body Shape:**
 - compressed, saucer-shaped
- **Coloration:**
 - purple/green/tan/orange with visible vertical bars
- **Common Adult Size:**
 - 7.5 inches long and up to 3lbs
- **Diet:**
 - algae, zooplankton, insects, fish eggs, and smaller fish

Bluegill, Hybrid

- Body Shape:
 - similar to panfish, rounded, and deep-bodied
- Coloration:
 - green/yellow/olive
- Common Adult Size:
 - 7.5 inches long and up to 2.5lbs
- Diet:
 - insects, fathead minnows, and other very small fish

***Note: Approximately 1:10 are females, which makes reproduction limited.**

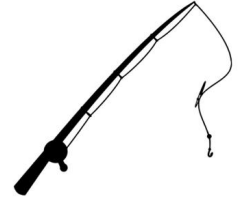

Carp, Triploid Grass

- Body Shape:
 - elongated, torpedo-shaped
- Coloration:
 - dark olive to brownish yellow
- Common Adult Size:
 - 20-35 inches and 15-20lbs
- Diet:
 - aquatic weeds (curly-leaf pondweed, coontail, and duckweed)

***Note: Used for weed control. Quickly reduces large quantities of aquatic vegetation. Also requires a permit.**

Catfish, Channel

- **Body Shape:**
 - bullet-shaped head, long-bodied, and smooth scaleless skin
- **Coloration:**
 - grayish-blue with black back and white belly
- **Common Adult Size:**
 - 12+ inches and 2-4lbs
- **Diet:**
 - algae, snails, snakes, frogs, insects, and small fish

Crappie, Black

- **Body Shape:**
 - deep and laterally compressed
- **Coloration:**
 - silvery-gray to green with mottled black splotches on body
- **Common Adult Size:**
 - 7-12 inches and around 2lbs
- **Diet:**
 - insects and small fish

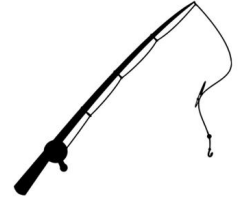

Minnnows, Fathead

- **Body Shape:**
 - stout and moderately compressed
- **Coloration:**
 - dark olive upper body, light silver color below, and a black stripe along the middle of both sides
- **Common Adult Size:**
 - 1-4 inches and about ¼ ounces
- **Diet:**
 - algae, plant matter, and insects

***Note: Typically sold as bait/feeder fish.**

Sunfish, Red Ear

- **Body Shape:**
 - deep and slab-sided
- **Coloration:**
 - greenish-olive colored back with yellow to creamish colored undersides
- **Common Adult Size:**
 - 7-10 inches and 1-2lbs
- **Diet:**
 - insect larvae and snails
